Attero Dominatus (Sabaton Cruise 2014 2nd Set)

Sabaton

Attero!
Dominatus!
Berlin is burning
Denique!
Interimo!
The reich has fallenWe stand at the gates of Berlin
With two and a half million men
With six thousand tanks in our ranks
Use them as battering ramsArtillery leading our way
A million grenades has been launched
The nazis must pay for their crimes
The wings of the eagle has been brokenMarshall Zhukov's orders:
Serve me Berlin on a plate!
Disregard the losses
The city is ours to takeThe price of a war must be payed
Millions of lives has been lost
The price must be paid by the men
That started the war in the 30'sThe spring of the year 45'
The year when the nazis will fall
We're inside the gates of Berlin
The beak of the eagle is brokenComrade Stalins orders:
Serve me it's head on a plate
Disregard the losses
The eagle's land is ours to takeMarch!
Fight!
Die!
In Berlin!
March!
Fight!
Conquer!
Berlin!
