

# Live Your Life

## Moa Lignell

[moa lignell - when i held ya]

I can't afford this heart?  
Still i am responsible  
If it will fall apart

Believe me, i don't want to go

You won't believe it's true  
When i tell you 'bout my feelings  
And what you're supposed to do

I'm sorry, but i don't want to go

But baby, i tell ya  
My heart is freaking out when i held ya  
Even in the best of days  
Love will be hard and hearts will be faking

Baby, you're glistening  
I see it in your eyes that you're listening  
Do you even understand  
I have to let go of your hand  
I have to let go of your hand

And then you believe in me  
You took me by my hand  
And told me that i made you free  
I need you  
I need you to know

As always i just can't cry  
I don't know the answer  
But i've always wondered why  
Today, i know, today

Cause baby, i tell ya  
My heart is freaking out when i held ya  
Even in the best of days

Love will be hard and hearts will be faking

Baby, you're glistening  
I see it in your eyes that you're listening  
Do you even understand  
I have to let go of your hand  
I have to let go...

I would like to believe you were right  
And if i told you  
Would you go there tonight

Cause baby, i tell ya  
My heart is freaking out when i held ya  
Even in the best of days  
Love will be hard and hearts will be faking

Baby, you're glistening  
I see it in your eyes that you're listening  
Do you even understand  
I have to let go of your hand
