

Already Gone

Grey

Remember all the things we wanted
Now all our memories, they're haunted
We were always meant to say goodbye
Even with our fists held high
It never would have worked out right, yeah
We were never meant for do or die
I didn't want us to burn out
I didn't come here to hurt you now I can't stop

[Chorus]

I want you to know
That it doesn't matter
Where we take this road
But someone's gotta go
And I want you to know
You couldn't have loved me better
But I want you to move on
So I'm already gone

Looking at you makes it harder
But I know that you'll find another
That doesn't always make you wanna cry
It started with the perfect kiss then
We could feel the poison set in
"Perfect" couldn't keep this love alive
You know that I love you so
I love you enough to let you go

[Chorus]

And I'm already gone, I'm already gone
You can't make it feel right
When you know that it's wrong
I'm already gone, already gone
There's no moving on
So I'm already gone

Ah already gone, already gone, already gone
Ah already gone, already gone, already gone

Remember all the things we wanted
Now all our memories, they're haunted
We were always meant to say goodbye

[Chorus]

And I'm already gone, I'm already gone
You can't make it feel right
When you know that it's wrong
I'm already gone, already gone
There's no moving on
So I'm already gone
