

# Steady

Robyn Ludwick

I wanna give you  
And I wanna take you  
You know I even wanna love you  
And I wanna break you  
Just lay back and let me take you  
Take you like a man

But Iâ€™m holding steady, steady, steady while I can

Donâ€™t tell me youâ€™re waiting  
Cause I wonâ€™t need you tomorrow  
Please tell me youâ€™ll stay in heaven now  
Give me a minute or an hour baby  
Uhuh  
You know an hour would be better baby  
Uhuh

But I want you to know now baby that I really need your touch

But Iâ€™m holdingâ€™ steady while I can

Donâ€™t tell me youâ€™re waiting  
Cause I wonâ€™t need you tomorrow  
Please tell me youâ€™ll stay in heaven now

Well I want you to know now baby  
That I really need your lovinâ€™

But Iâ€™m holding steady, steady, steady while I can

No, no donâ€™t tell me youâ€™re waiting  
Cause I wonâ€™t need you tomorrow  
Please tell me youâ€™ll stay in heaven now  
Please tell me youâ€™ll stay in heaven now
