Spirit

Eric Burdon & War

Ive been watching you,
For such a long time.
I cant lose your memory, baby,
Youre always on my mind.
Tearin my day, baby. Weekends too.
I just cant lose your memory, baby,
Everywhere I look I see you.You got spirit. Spirit, baby.
You got, you got spirit. Spirit, baby.
Come on, come on, come on, spirit. Spirit, baby.
Give it up, give it up, give it up. Yea, yea.
Spirit, but I aint got you. I aint got you.
Blow your horn, blow your horn, baby.
Blow your horn, baby. Blow, blow.Oooo your spirit is taunting me, baby.
Ooooooo your spirit is haunting me, baby. Yea.
I cant get you, baby, out of my mind (out of my mind).
Oooo I cant get you, baby, yea
Out of my mind. I swear,
Im goin crazy, yes I am.
I swear Im goin crazy, for you.
You got what I need so bad,
You got what I need so bad.
Everywhere I go, baby, all I see is you
Staring back at me.
Spirit, spirit baby.
Spirit, spirit baby.
Give it up, give it up, give it up. Yea, yea.
Spirit, spirit baby.
Come on, come on, come on.
Spirit I aint got you.
I wish that I
If only I, if only I, if only I, if only I,
If I had you, baby, Id have the world tied in the palm of my hand.
Ooo in the palm of my hand, Id have the world in the palm of my hand
If only I had you, If only I, If only I.
Maybe you dont know, baby. Maybe you dont know, baby,
But you know that love is, love is everywhere, yes it is.
Love is, love is everywhere, love is everywhere, love is, love is, love is....
