Setting Sun

Billy Sherwood

[Repeat: x5]
You're the devil in me I brought in from the cold
You said your body was young but your mind was very old
You're coming on strong and I like the way
The visions we had have faded away
You're part of a life I've never had
I'll tell you that it's just too bad

You're coming on strong
You're showing your color
Like a setting sun

Where do I begin

Sunday morning I'm waking up
Can't even focus on a coffee cup
Don't even know who's bed I'm in
Where do I start
Where do I begin

Sunday morning I'm waking up
Can't even focus on a coffee cup
Don't even know who's bed I'm in
Where do I start
Where do I begin

[Repeat: x4]
Where do I start
Where do I begin

[Repeat: x12]
Sunday morning I'm waking up
Can't even focus on a coffee cup
Don't even know who's bed I'm in
Where do I start
Where do I begin
Where do I start
Where do I begin
