

You Don't Have to Leave My Life

Wetton / Manzanera

I said I'd come on home tonight
I said that everything might work out right
You've got your problems
You can't deny
There is a way to solve them
We don't have to say goodbye

You don't have to leave my life
We don't have to live a lie
Oooh-oooh-oooh, we don't have to say goodbye

When I look back at all the wasted time
Be the judge, you're the jury
I'm accused but there is no crime

You don't have to leave my life
We don't have to live a lie
Oooh-oooh-oooh, we don't have to say goodbye

You don't have to leave my life
We don't have to live a lie
Oooh-oooh-oooh, we don't have to say goodbye

You've got your problems
You can't deny
There is a way to solve them

You don't have to leave my life
We don't have to live a lie
Oooh-oooh-oooh, we don't have to say goodbye
You don't have to leave my life
We don't have to live a lie
Oooh-oooh-oooh, we don't have to say goodbye

We don't have to live a lie

You don't have to leave my life

We don't have to say goodbye
