There's Always Now

Minimal Compact

there's always now
there's always now
the things that you say
and never believe
there's a crack in the sky
and the lake's running dry
the further you'll go
the harder it gets
always so wide awake
don't let it steal your heart
the one you're with will wait
so let her fill your heart
there's always now
there's always now
the dues that you've paid
the gifts you've received
there's a crack in the sky
and the lake's running dry
the further you'll go
the nearer it gets
always so wide awake...
