

# Careful

Paramoreæ<sup>1</sup>/<sub>4</sub>€

I've settled down  
A twisted up frown  
Disguised as a smile  
Well, you would have never known  
I had it all, but not what I wanted  
Cause hope for me was a place uncharted  
And overgrown You'd make your way in  
I'd resist you just like this  
You can't tell me to feel  
The truth never set me free  
So I did it myself  
You can't be too careful anymore  
When all that is waiting for you  
Won't come any closer  
You've got to reach out a little more  
More  
More  
MoreMore  
Open your eyes like I open mine  
It's only the real world  
Life you will never know  
Shifting your way to throw off the pain  
Well you can ignore it But only for so long  
You look like I did  
You resist me just like this  
You can't tell me to heal  
And it hurts remembering  
How it felt to shut down  
You can't be too careful anymore  
When all that is waiting for you  
Won't come any closer  
You've got to reach out a little more  
More  
More

The truth never set me free  
The truth never set me free The truth never set me free  
So I'll do it myself  
You can't be too careful anymore

When all that is waiting for you  
Won't come any closer  
You've got to reach out  
You can't be too careful anymore  
When all that is waiting for you  
Won't come any closer  
You've got to reach out
