

Blow You Up (feat. AlunaGeorge & Less Is Moore)

Yogi

Blow you up, blow you up, blow you up, blow
You've got no indication cause you won't keep yourself in line
No indication of what lies in your dark side
I just wanna blow you up, break you up
Smash you up so I can wake you up
Blow you up, break you up
Smash you up so I can wake you up
I wanna blow you up, break you up
Smash you up so I can wake you up
Blow you up, break you up
Smash you up so I can wake you up
Blow you up, blow you up, blow you up, blow
Blow you up, blow you up, blow you up, blow
Yes I'll blow you up, blow you up, blow you up, blow
Blow, blow, blow, blow
Blow you up, blow you up, blow you up, blow
Blow you up, blow you up, blow you up, blow
Yes I'll blow you up, blow you up, blow you up, blow
Blow, blow, blow, blow
Yes they can catch me, that's the prize when I'm not so wise
Then I will get you and show them all that you've been hiding
I just wanna blow you up, break you up
Smash you up so I can wake you up
Blow you up, break you up
Smash you up so I can wake you up
I wanna blow you up, break you up
Smash you up so I can wake you up
Blow you up, break you up
Smash you up so I can wake you up
Blow you up, blow you up, blow you up, blow
Blow you up, blow you up, blow you up, blow
Yes I'll blow you up, blow you up, blow you up, blow
Blow, blow, blow, blow
Blow you up, blow you up, blow you up, blow
Blow you up, blow you up, blow you up, blow
Yes I'll blow you up, blow you up, blow you up, blow
Blow, blow, blow, blow
Blow you up, break you up
Smash you up so I can wake you up
Blow you up, break you up
Smash you up so I can wake you up
Blow you up, break you up
Smash you up so I can wake you up
Blow you up, break you up

Smash you up so I can wake you up
I just wanna blow you up, break you up
Smash you up so I can wake you up
Blow you up, break you up
Smash you up so I can wake you up
I wanna blow you up, break you up
Smash you up so I can wake you up
Blow you up, break you up
Smash you up so I can wake you up Blow you up, blow you up, blow you up, blow
Blow you up, blow you up, blow you up, blow
Yes I'll blow you up, blow you up, blow you up, blow
Blow, blow, blow, blow
Blow you up, blow you up, blow you up, blow
Blow you up, blow you up, blow you up, blow
Yes I'll blow you up, blow you up, blow you up, blow
Blow, blow, blow, blow
Blow you up, blow you up, blow you up, blow
Blow you up, blow you up, blow you up, blow
Yes I'll blow you up, blow you up, blow you up, blow
Blow, blow, blow, blow
