

# Never Would Have Made It

**Teyana Taylor**

Never would have made it  
Never would have made it without you You are the highlight of my life  
You are the sunshine in my night  
Oh how, oh how, oh, do I  
Ever repay you Finally, I know what I want  
I learned from my mistakes and my heartbreaks  
The road to hell was paved with good intentions  
No matter which one you, no matter which one you take  
Never truly follow my heart  
Made a lot of decisions based on everyone but me  
But now, I'm strong enough to let it go  
I'm wise enough to take control  
My mama told me everything  
My mama told me everything I know You are the highlight of my life  
You are the sunshine in my night  
Oh how, oh how, oh, how do I  
Ever repay you Stand up, press forward, move on  
Don't cry, we'll make it through the night  
For sure  
You are the highlight of my life  
You are the sunshine in my night  
Oh how, Oh how, oh how  
How do I  
Ever repay you Never would have made it  
Never would have made it without you
