Sailing to Byzantium

Liars

We've seen what's real
They fight to keep it all the same
So we should steal
Make sure we wake them up tonight
I heard the warning
But it's too late to pull the plug
We should be roaring
It's time we woke these dumbfucks up

So don't come back till you've been heard by those who listen
And don't come back till you've been heard by those who know

Oh no no no
You won't choose reason
Oh no no no
You won't choose treason
Oh no no no
You need to tease them
Oh no no no
