# Starbreaker

## Judas Priest

Look out, here's Starbreaker
Cruisin' into town
Set his mind to stealin'
Every little heart around
Step out on the sidewalks
If you're feeling game
He comes but once a lifetime
Never seen againStarbreaker
Glides in from the sky
Starbreaker
Takes you up so highParadise is waiting
For the chosen few
Let's hope maybe this time
He picks me and you
Star voyage to a new world
Light-year miles away
Cross your fingers, here he is,
Take us now this dayStarbreaker
Glides in from the sky
Starbreaker
Takes you up so highStarbreaker, take my hand
Starbreaker, understand
Starbreaker, you're the one
Starbreaker, lead us on, and onLook out, here's Starbreaker
Cruisin' into town
Set his mind to stealin'
Every little heart around
Step out on the sidewalks
If you're feeling game
He comes but once a lifetime
Never ever seen againStarbreaker
Glides in from the sky
Starbreaker
Takes you up so high
