A Fact of Life (Rock-O-Rama 2015)

FACT

I forgot about the time that there was somebody in my past,
I feel time has passed so quickly since I took the photograph.
Thanks for the memory that doesn't fade in my heart.
Look at us smiling in the photograph, you can see the secrets behind the fake smiles.
Thanks for the memory that doesn't fade in my heart.The past was destroyed by you,
I'm not going to forget our truth was shadowed in the darkness of war.I forgot about the time that there was somebody in my past,
I feel time has passed so quickly since I took the photograph.
Thanks for the memory that doesn't fade in my heart.
Look at us smiling in the photograph, you can see the secrets behind the fake smiles.
Thanks for the memory that doesn't fade in my heart.The past was destroyed by you,
I'm not going to forget our truth was shadowed in the darkness of war.The moment when it was destroyed is burned into histroy.
We can't rewind like a video.
Misleading future not required.
Only the weak among you will be sacrificed.
A false history is not necessary.
No matter what, isn't even a harsh future better than a history made by somebody else?Don't you think so?
