

Back In Your Head (Josh Harris Club Remix)

Tegan and Sara

Build a wall of books
Between us in our bed
Repeat, repeat the words
That I know we both have saidRelax into the need
We get so comfortable
Remember when I was
So strange and likableI just want back in your head
I just want back in your head
I'm not unfaithful but I'll strayWhen I get a little scared
When I get a little scared
When I get a littleWhen I jerk away
From holding hands with you
I know these habits hurt
Important parts of youRemember when I was
Sweet and unexplainable
Nothing like this person
UnlovableI just want back in your head
I just want back in your head
I'm not unfaithful but I'll strayWhen I get a little scared
When I get a little scared
When I get a little
When I get a littleRun, run, run, run
Run, run, run, runI just want back in your head
I just want back in your head
I'm not unfaithful but I'll strayI'm not unfaithful but I'll stray
I'm not unfaithful but I'll stray
I'm not unfaithful but I'll stray
