

Forevermore (Acoustic Version) [Bonus Track]

Whitesnake

Looking back across the years
The good times and the bad
An echo in my mind Whisper on a breeze
Sweet and bitter memories
Of all I left behind If it wasn't for your love
Don't know where I'd be
Don't know what I'd do Time and time again
Sing the same refrain
It's all because of you For you will be my love
And I will feel your heartbeat
Forevermore Rest here in my arms
Forevermore
Forevermore Through the dark night of my soul
You gave me a hand to hold
And help me make it through Now all my doubts are all my fears
Held inside for all those years
Disappear when I'm with you For you will be my love
And I will feel your heartbeat
Forevermore
Rest here in my arms Give me all your love
Give me all your love
And I'll be in your loving arms
Forevermore For you will be my love
And I will feel your heartbeat
Forevermore
Rest here in my arms Give me all your love
Give me all your love
And I'll be in your loving arm
Give me all your love Give me all your love
Give me all your love
And I'll be in your loving arm
Give me all your love Forevermore Forevermore Forevermore Forevermore Forevermore Forevermore
