Incarnated Solvent Abuse (Live in Tokyo)

Carcass

Intenacious, intersecting
Reaving fats from corporal griskin
Culled...for sodden gelatine brayed
Skeletal groats triturated, desinently
Exsiccated, sere glutenate brewed
For frivolous solvent abuse...Derogate coarse remains
For glue to dry
Despoiled marrow razedA truculent shambles so severeExtravated bone, as adhesive incarnate
A pellucid quietus, nocuosly I createCorporal glue, breathe in the fumes
Mucilage vapours, toxic fumes to savourComminuted remains
As gum to dry
A lissom gel so glazedA truculent shambolic affairThe exsanguine esprit, shorted as snuff
Rheumic oils forever, Bonded together as gumHuman glue, choke on the fumes
Noxious vapours, slaughterous labour
