

# Incarnated Solvent Abuse (Live in Tokyo)

## Carcass

Intenacious, intersecting  
Reaving fats from corporal griskin  
Culled...for sodden gelatine brayed  
Skeletal groats triturated, desinently  
Exsiccated, sere glutenate brewed  
For frivolous solvent abuse...Derogate coarse remains  
For glue to dry  
Despoiled marrow razedA truculent shambles so severeExtravated bone, as adhesive incarnate  
A pellucid quietus, nocuosly I createCorporal glue, breathe in the fumes  
Mucilage vapours, toxic fumes to savourComminuted remains  
As gum to dry  
A lissom gel so glazedA truculent shambolic affairThe exsanguine esprit, shorted as snuff  
Rheumic oils forever, Bonded together as gumHuman glue, choke on the fumes  
Noxious vapours, slaughterous labour
