

Thinkin' Bout Drinkin'

The Potato Pirates

Iâ€™m thinkinâ€™ bout drinkinâ€™
And wastin my whole day
Iâ€™m thinking about drinking all my cares away.

Oh right!

Itâ€™s been a shit month boys
And it ainâ€™t been a good year either
And everything that I touch
Withers and dies
Things wonâ€™t click but at least I try
Why wonâ€™t luck
Shed itâ€™s grace on me
And why is it when I give the most
I receive the least
Itâ€™s driving me crazy!

Iâ€™m thinking bout drinking
And wasting my whole day
Iâ€™m thinking about drinking
All my cares away

So follow me down to the lair
Of the beast where weâ€™ll lay to rest our dreams
Baptize me in cheap whiskey and
Iâ€™ll see you in the morning when
Iâ€™m able to breathe!

Itâ€™s driving me nuts boys!
When the things that we bleed for
Are all for none
And I wonâ€™t stop until
Lady luckâ€™s in my bed
The only other option
I could see is dead

Why wonâ€™t luck shed
Itâ€™s grace on me?
Why is it when I give

The most I receive
the least itâ€™s driving
Me crazy!!

Iâ€™m thinking bout drinking
And wasting my whole day
Iâ€™m thinking about drinking
All my cares away

So follow me down to the lair
Of the beast where weâ€™ll lay to rest our dreams
Baptize me in cheap whiskey and
Iâ€™ll see you in the morning when
Iâ€™m able to breathe!

Iâ€™m thinking bout drinking
And wasting my whole day
Iâ€™m thinking about drinking
All my cares away

So follow me down to the lair
Of the beast where weâ€™ll lay to rest our dreams
Baptize me in cheap whiskey and
Iâ€™ll see you in the morning when
Iâ€™m able to breathe!

Baptize me in cheap whiskey and
Iâ€™ll see you in the morning when
Iâ€™m able to breathe!
