

# Everybody Loves a Cocksucker

## Black Lips

The boys don't like the clothes I wear  
And they don't like girls with short short hair, hey  
And livin' at home is such a drag  
It's hard to be feminine when you're not a fag, hey Because everybody loves a cocksucker  
but you can't help what you do  
Aunt Jemima told me, not to love her  
but I can't help what I do You like to watch TV  
and they don't wanna play with me, hey  
Well livin' at home is such a drag  
Well it's hard to be feminine when you're not a fag, hey Because everybody loves a cocksucker  
but you can't help what you do  
Aunt Jemima told me, not to love her  
but I can't help what I do  
Well the back groups had a live pucker  
But I can't help but pursue  
Aunt Jemima told me, not to love her  
but I can't help what I do  
Aunt Jemima told me, not to love her  
but I can't help but pursue  
Everybody loves a cocksucker  
But you can't help what you do
