Be a Living Sacrifice

Fire Engine Red

Be a living sacrifice, you've got to live a holy life
God is faithful to forgive us our sins,
we must in return remain faithful to him
My God , he is perfect
My God , he can't stand sin
He wants us to be a holy nation, set apart for him
set apart for him
Be a living sacrifice, God will surely sanctify your life
My God , he'll make you perfect
My God , he'll make you hate sin
He wants us to be a holy person, set apart for him
living life for him
All I want is him, All I want is to serve him, All I want is him
Be a living sacrifice, you've got to live a holy life
God is faithful to forgive our sins,
we must in return remain faithful to him
My God , he is perfect
My God , he can't stand sin
He wants us to be a holy nation, set apart for him
set apart for him
