

Falter

Soil

End
Way
Falteri haven't rendered this to anyone before
the book is open
and its spilling on the floor
comes once again
I'm buried in sin
all hope is goneend
way
falterfalling down againend
way
falterfeeling down againwaves come crashing ever lasting
this amount of pain
forever changing, anticipating
the same mistakes I've madeit comes once again
I'm buried in sin
all hope is goneend
way
falterfalling down againend
way
falterfeeling down againfeeling down againI'm feeling down againend
way
falterfalling down againend
way
falterfeeling down again
(I'm feeling down again)end
way
falter
(I'm falling down)falling down again
(I'm falling down again)
