

Bumbklaatt.

Soulfly

Grow tha fuck up, you waste, waste
Can't you see what it takes, takes
To be a real man Talking shit all your life
No integrity or pride
Fucking mind full of lies You fake
You waste
You bumbklaatt Poor boy Now I know why, why
I turn my back on your life
And watch your envy arise Now it's been so long
Yeah, and you still won't grow up
And you never belong You fake
You waste
You bumbklaatt You fake
You waste
You bumbklaatt You fake
You waste
You bumbklaatt You piece
Of shit
You bumbklaatt, oh [Incomprehensible] So fuck you and your friend
I got time for revenge
And you ain't got tomorrow So fuck you and your friend
'Cause they still are the same
And your bullshit remains You fake
You waste
You bumbklaatt You fake
You waste
You bumbklaatt You fake
You waste
You bumbklaatt You fuckin' piece of shit Bumbklaatt {Oh, Mr. Gladrobe}
