

Softly Softly

Sweetback

Steamy like a winter storm
Softer than the sharpest thorn
I held your hand and I was born
So explain your fury, you were never scorned
You make me feel, the way I felt
You can do me wrong babe
But make it feel, make it feel Softly, softly
Show me you care
Easy, easy
Keep me right there
Would you ever
If I doubled dared
Hurt me harshly
Destroy me with care
And make the first slice like I first cut you
Oh baby why you want to just hurt me like you do
Oh Softly softly (oh oh)
Show me you care (oh oh)
Easy easy
Keep me right there (Keep me right there)
Would you ever
If I doubled dared (if I doubled dared)
Hurt me harshly
Destroy me with care (ahhhhh)
Softly softly (softly)
Show me you care (show me you)
Easy easy
Keep me right there (Keep me right there)
Never ever
Ever you dare
Hurt me harshly
Destroy me with care
Tell me baby
ohhh
Softly baby
Aww yeah
Oh oh aww Steamy like a winter storm
Softer than the sharpest thorn (Softer than)
I held your hand and I was born

Softly softly destroy me with care
