

# Tonight The Streets Are Ours

[Richard Hawley](#)

Do you know why you got feelings in your heart?

Don't let fear of feeling fool you

What you see sets you apart

And there's nothing here to bind you

It's no way for life to start

Do you know that tonight the streets are ours?

Tonight the streets are ours

These lights in our hearts they tell no lies

Those people they got nothing in their souls

And they make our TVs blind us

From our vision and our goals

Oh, the trigger of time it tricks you

So you have no way to grow

But do you know that tonight the streets are ours?

Tonight the streets are ours

These lights in our hearts they tell no lies

And no one else can haunt me

The way that you can haunt me

I need to know you want me

I couldn't be without you

And the light that shines around you

No nothing ever mattered more than not doubting

That tonight the streets are ours

Do you know how to kill loneliness at last?

Oh, there's so much there to heal dear

And make tear stains of the past

But do you know that tonight the streets are ours?

Tonight the streets are ours

These lights in our street are ours

Tonight the streets are ours

These lights in our hearts they tell no lies
