Advisory - the following lyrics contain explicit language:

Round and round and round we go  
Waiting for the wind to blow  
As we walk the streets alone  
Only love can bring us home  
Waving powerless and blind  
But tomorrow, we'll be kind  
Let love guide us through the rain  
Forget our yesterday Only love, love, love  
Brings us together  
Only love, love, love  
Love, forever  
Only love, forever and ever  
Only love, love, love  
Love, forever Only love can conquer all and move mountains  
When you cold, makes you warm again  
Only love heals a broken heart, we been through  
It all girl, came through the storm again  
Find your joy, let go of the past  
Love invade your walls like the Trojan horse again  
Can't give up, won't give in, find the strength from within  
Ask yourself, can you lose my heart again?  
I know you're hurting but baby let my love set you free  
I'll never let you fall, let's go, girl you can trust in me  
Forever in my eyes, you will always be the one for me  
I'll always love you until they read out my eulogy Only love, love, love  
Brings us together  
Only love, love, love  
Love, forever  
Only love, forever and ever  
Only love, love, love  
Love, forever Love heals all, love kills war  
I love the hustle but I love you more

Ride or die that's what love is for  
Believe it or not, God loves us all  
When I was down and out  
You were down with me  
Things got deep, you'd drown with me  
If there was heat, I know you'd cock back  
Click, clap, spit a round with me  
Blow a pound with me, hold it down with me  
To all them haters, you can come get me  
It's us against the world, 150 I love Miami  
That's my city (305)  
It's all good, (All good)  
Love is love (Love is love)  
Shaggy, Pitbull  
It's all on us Only love, love, love  
Brings us together  
Only love, love, love  
Love, forever  
Only love, forever and ever  
Only love, love, love  
Love, forever Round and round and round we go  
Waiting for the wind to blow  
As we walk this world alone  
Only love can bring us home Only love, love, love  
Brings us together  
Only love, love, love  
Love, forever  
Only love, forever and ever  
Only love, love, love  
Love, forever
