

# Master and Everyone

## Bonnie "Prince" Billy

Y' tell me you don't love me  
Well, I don't love you  
You say you don't want me  
Well, I don't want you You tell me there are other  
Fish in the sea  
And another gathers  
Roses for me  
On this we will agree You do what you want  
And I will do what I want  
I'm now free of master and everyone  
Servant of all and servant to none And constancy and love is a joke  
I'm not afraid of meeting you  
I'm fickle and I brag about it Neither will I cry for you  
Like a bird freed from his cage  
All night and all day I'll play and sing And you do what you want  
And I will do what I want  
I'm now free of master and everyone  
Servant of all and servant to none
