I've Done Everything For You

Sammy Hagar

Hey!
Well this one way love-affair, it ain't fair
It ain't no kind of fair to me
It's all give and take, and you just take
And I can't take it, you seeAnd I'm giving up on love this time
Me and my friends, we'll do just fine
Because[Chorus]
I've done everything for you
You've done nothing for me
I've done everything for you
But baby, you've done nothing for me
She's done nothing for meWell you need some pay, a whole lotta money
And be a millionaire
Yeah but when that didn't happen overnight
I found out how much you really care
(yeah)All you want, is a whole lot of money
All the rest, is just "jivin" honeyI've done everything for you
Aw, you've done nothing for me
I've done everything for you
Everything, But nothing for me
(You) you've done nothing for meWait a minute,
When I first met you, you didn't know how to hook a man
Ya done nothing
There was so many things, about making love you didn't understand
Ya done nothingYa but now you know, about everything
And I'll take you on a pair of wingsI've done everything for you
Aw baby, you've done nothing for me
I've done everything for you
I've done everything for you, you've done nothing for meNow
I'm going out on the town tonight,
And get as wild as I can be
I'm gonna find out what it's really like,
To be loose, high and freeYeah I don't care what people say,
I'll change my mind, its gonna change this dayI've done everything for you,
Just one thing, something, anything
I've done everything for you
Nothing, you, you've done nothing for me,
You've done nothing for me
Hey! You've done nothing, you've done nothing

You've done nothing for me
Nothing, zero!
