

So Gone

Best Coast

You say that you never want me to leave
So I stick around
But now you're gone
So gone
Gone
So gone

You say that you never want it to end
So I stick around
But now you're gone
So gone
Gone
So gone

You say that you want to be more than friends
So I stick around
But now you're gone
So gone
Gone
So gone

You say that you don't have time for me
So I move along
And now I'm gone
So gone
Now I'm gone
So gone
