Amazing God

Lou Fellingham

We can hear it growing louder
Songs from every nation
Rising to your throne
Saints in every generation
Singing for your glory
Telling what you've done

from the north and south, we are crying out
There is hope in Jesus' name

You're amazing God, You're amazing God
You can bear the weight of every heavy heart
You can heal the pain, you can clean the stain
You can turn our tears into songs of praise
You're amazing God

Beauty rises from the ashes
Sorrow turns to gladness
When our God is near
You speak light into our darkness
You heal the broken-hearted
You wipe away our tears

songs of praise surround us, songs of praise surround us
Hear it growing louder, we are growing louder
