

All White Everything (Feat. Yo Gotti)

Young Jeezy

Married to the game
She even got a wedding ring
Six white cars and I put that on everything
White Benz
White Porsche
White bent
White range
White vet
White brainsAll white everything
All white everything
All white everything
I'm 'bout to kill 'em this summer
I'm doin' all white everythingAll white everything
All white everything
All white everything
I'm 'bout to kill 'em this summer
I'm doin' all white everythingI gotta white bent
White pit
Even gotta white bitch
Wen I say white I mean whiter den a light switch
White this, white that in my white sox hat
Used 2 hide dem white packs where my white socks at
Niggas say he so white he tellin a white lie
Neva sold no white and he ain't neva see a white pie
Man I swear to god I'm being followed by a white guy
On ya boy man I mean harder den a white tie
White roll white wheels whiter den some white pills
White s550 sittin on some white hills
Niggas thinkin furs 4 da winter I'm thinkin white fox
Pull up in the white ford dually on sum white shocksMarried to the game
She even got a wedding ring
Six white cars and I put that on everything
White Benz
White Porsche
White bent
White range
White vet
White brainsAll white everything
All white everything

All white everything
 I'm 'bout to kill 'em this summer
 I'm doin' all white everythingAll white everything
 All white everything
 All white everything
 I'm 'bout to kill 'em this summer
 I'm doin' all white everythingI gotta white lac, white lade both got white suede
 Big white crib, inside gotta white maid
 White sinks, white towels, white rags, white tiles
 Wen I say white I mean whiter den da white house
 White couch, white pillows, white candles, white rugs
 Since we talkin white jus know I had a white plug
 White doors, white walls even got sum white halls
 Bathroom coat white floors in the white stall
 White man, white yard, white trees, white leaves
 Go and get my mail in a pair of white spike lees
 Ya'll think I'm trippin wen I say I want a white horse
 Right inside the 5-9-9 I see the white porscheMarried to the game
 She even got a wedding ring
 Six white cars and I put that on everything
 White Benz
 White Porsche
 White bent
 White range
 White vet
 White brainsAll white everything
 All white everything
 All white everything
 I'm 'bout to kill 'em this summer
 I'm doin' all white everythingAll white everything
 All white everything
 All white everything
 I'm 'bout to kill 'em this summer
 I'm doin' all white everythingI gotta all white harley jets even match my boat man
 Get dem white boy checks ask my white postman
 White socks, white draws, polo white tee
 Triple white turbo ooh I think she like me
 Past right by a white flash like wat was that?
 Niggas still wearin fruity stones man who does that?
 White platinum gold roly with the white stones
 Lookin betta den lisaraye in a white thong
 Sumwhere on a white beach in some white sand
 Layin in a white bucket million white snowman
 White sky, white clouds, u say it's a white day
 White sky, white clouds, I say it look like yayMarried to the game

She even got a wedding ring
Six white cars and I put that on everything
White Benz
White Porsche
White bent
White range
White vet
White brainsAll white everything
All white everything
All white everything
I'm 'bout to kill 'em this summer
I'm doin' all white everythingAll white everything
All white everything
All white everything
I'm 'bout to kill 'em this summer
I'm doin' all white everything
