

Nude

Radiohead

Don't get any big ideas
They're not gonna happen
You paint your smile
You paint yourself white
And fill up with noise
There'll be something missing
And now that you found it
It's gone
Just when you feel it
You don't
It's gone foreverShe stands stark naked
And she beckons you to bed
Don't go, you'll only want
To come back againSo don't get any big ideas
They're not gonna happen
You'll go to Hell
For what your
Dirty mind is thinkingAnd now that you found it
It's gone
Now that you feel it
You don't
It's gone forever
