

# I Shot the Devil

## Suicidal Tendencies

I shot Reagan I shot Reagan, I shot Sadat  
I'm gonna shoot you dead in heaven you'll rot  
You're gonna rot in heaven, hear an Angels voice  
You're too bad for hell although it's your first choice Rot in heaven  
You're too bad for hell  
Rot in heaven  
'Cause you're forgiven in hell I shot Lennon, I shot the Pope  
I shot the Devil, now you ain't got no hope  
You're gonna rot in heaven, hear an Angels voice  
You're too bad for hell although it's your first choice Rot in heaven  
You're too bad for hell  
Rot in heaven  
'Cause you're forgiven in hell Rot in heaven  
You're too bad for hell  
Rot in heaven  
'Cause you're forgiven in hell I shot Reagan, I shot Sadat  
I'm gonna shoot you dead in heaven you'll rot  
I shot Lennon, I shot the Pope  
I shot the Devil, now you ain't got no hope I shot Reagan  
But I shoot and I die  
And I die and I die
