

# The Fat Lady Of Limbournh

Brian Eno

Well I rang up pantucci spoke to lucia  
Gave them all they needed to know  
If affairs are proceeding as we're expecting  
Soon enough the weak spots will show  
I assume you understand that we have options on your time  
And will ditch you in the harbour if we must  
But if it all works out nicely, you'll get the bonus you deserve  
From doctors we trust. The fat lady of limbournh  
Looked at the samples that we sent  
And furrowed her brow  
You would never believe that  
She'd tasted royalty and fame  
If you saw her now  
But her sense of taste is such that she'll distinguish with her tongue  
The subtleties a spectrograph would miss  
And announce her decision while demanding her reward  
A jelly fish kiss. Now we checked out this duck quack  
Who laid a big egg oh so black it shone just like gold.  
And the kids from the city finding it pretty  
Took it home and there it was sold  
It was changing hands for weeks  
Till someone left it by their fire  
And it melted to a puddle on the floor  
For it was only a candle a roman scandal  
Oh oh and now it's a pool. That's what we're paid for  
That's what we're paid for  
That's what we're paid for here.
