

# Non-Stop Summer (feat. Adam Hicks)

[Cole Plante](#)

Breaking it down breaking it down breaking it down it's the non stop summer breaking it down breaking it  
down breaking it down it's a non stop summer  
Non stop feel the vibe with the outside  
With your friends by yo side in the blue skies  
Palm trees in the back got the mood rack  
If you workout Non-Stop Summer  
If you didn't know the reason why I be swimming  
Willing to see the feeling of the season back and forth  
You know I surf a lot while the sand is hot  
You know it's Non-Stop Summer so the summer's non stop  
Non-Stop Summer X2) Non- Stop X4)  
Breaking it down is the non stop summer  
Breaking it down X5)  
Breaking it down is the non stop summer  
Breaking it down X2)  
Breaking it down is the non stop summer
