

Slow Fade

Teenage Fancub

Slow fade, pictures in my mind
Fragments of memories suspended in time
I've watched the the colours fade
And the lines disappear
Slow fade, pictures in my mind
Decaying, pictures in my mind
The fleeting images recede and decline

The colours sweep away
And the lines disappear
Slow fade, pictures in my mind
I've watched the the colours fade
And the lines disappear
Slow fade, pictures in my mind
