

# The Green Manalishi (With The Two Prong Crown)

## Fleetwood Mac

Written by peter green. Now, when the day goes to sleep and the full moon looks  
The night is so black that the darkness cooks  
Don't you come creepin' around - makin' me do things I don't want to Can't believe that you need my love so  
bad  
Come sneakin' around tryin' to drive me mad  
Bustin' in on my dreams - making me see things I don't wanna see Break:
