Love Don't Love Me

Eric Benet

Mmm, hmm, mmm, hmm
Mmm, hmm, yeah, ooh
Yeah, ooh, yeah, ooh
Uh, uh, mmm, hmm
Time, I still don't know the reason
After all this time, I'm all alone
But see it comes as no surprise
It seems like I don't laugh each time
That love goes right every time
By chance, somethin' happens every time
I get a chance, I feel the rhythm but I just don't know
The dance I want to move with you
But something holds me back, holds me back, yeah
All I ever needed, I could never find
(Mmm, hmm)
All I ever wanted was to get it right
(Mmm)
Somebody tell me what is wrong with me
I wasn't sure but I know now
I believe that it must be
(Must be)
Love don't love me
(Mmm)
Love don't love me
Oh, I, I know exactly what is missing in my life
Something for sure it's simply purely been awhile
But hon', I'm out the door before the morning light
Every night
So I pray, I'm so afraid I'm always gonna feel this way
Relationships only to pass the time away
Fear of commitment is a habit, hard to break
I must say, yeah
All I ever needed I could never find
All I ever wanted was to get it right
(Get it right)
Somebody tell me what is wrong with me
(Wrong with me)
I wasn't sure but I know now
I believe

(I believe)
That it must be
(It must be)
Love don't love me
(Hey)
Love don't love me
(Don't love me)
All I ever wanted was some happiness
(Happiness)
Take it to a level that's above the rest
(Ho, oh)
I wanna know how it's supposed to be
I wanna feel something real but I believe
(I believe)
That it must be
(It must be)
Love don't love me
(Love don't love me)
Love don't love me
(No, no, it don't love me)
Someone teach my heart to fall in love again

That all I have to fear is fear itself
I know that I was hard to love one woman
But why must I keep runnin' through the race, oh
Yeah, yeah, ooh
Yeah, ooh, yeah, ooh
Uh, uh, mmm, oh, all I ever need
All I ever needed I could never find
(Oh)
All I ever wanted was to get it right
(Hey)
Somebody tell me what is wrong with me
(Tell me please)
I wasn't sure but I know now
I believe
(I believe)
That it must be
(It must be)
Love don't love me
(Love don't love me)
Love don't love me
(Love don't love me)
All I ever wanted
(Hey)

Was some happiness
(Oh)
Take it to a level that's above the rest
(That higher place)
I wanna know how it's supposed to be
I wanna feel something real
But I believe that it must be
Love don't love me
(Oh)
Love don't love me
(Ho)
All I ever needed I could never find
(I could never find)
All I ever wanted was to get it right
(Just to get it right)
Somebody tell me what is wrong with me
(Oh, oh)
I wasn't sure but I know now
(Oh, oh)
I believe that it must be
(Yeah)
Love don't love me
(Love don't love me)
Love don't love me
(Love don't love me)
All I ever wanted was some happiness
(Oh)
Take it to a level that's above the rest
(Hey)
I wanna know how it's supposed to be
I wanna feel something real
(I)
But I believe that it must be
(Oh)
Love don't love me
Love don't love me
