Uncle Bill (Intro)

Josh A

God Damn
A Lot's happened to a boy josh a
First some fucking gnome fucks up his life
His twitter gets hacked
And to top that shit off he's been off social media for like two fucking months
#Freejosh what im saying hallelujah
So josh left the computer he went outside and started to get an actual life with some actual shit happened some bitch fucked up his life I don't want to get in the goddamn logistics but just..
But just sit back play some fucking videogames and litisen to this mothermucking album
yeahh boi
