

Cry Out Of Joy

Akon

You will, be missed, by all your fans
I clenched, my fists, but this' so hard to withstand
If I had the power to change one thing, I'd bring you back today
But life's not promised and that won't change, im'a meet you there some day
In this lifetime I wanna thank you, for showing me the man in the mirror
In this lifetime I wanna thank you, you motivated the whole world to deliver

We cry out of joy (for you)
We cry out of joy (for you)
We cry out of joy (for you)
We cry out of joy (for you)
We cry out of joy (for you)
We cry out of joy (for you)
We cry out of joy (for you)
We cry out of joy (for you)

There's so much joy in our heart

Oh I wish, the world could see you the way I did
And I wish, they witnessed how a wonderful dad you were to all your kids
And I noticed it didn't stop there, saving children was one of your goals
Just donating all of your millions, so they could one day rule the world
In this lifetime I wanna thank you, for showing me the man in the mirror
In this lifetime I wanna thank you, you motivated the world to deliver

We cry out of joy (for you)
We cry out of joy (for you)
We cry out of joy (for you)

We cry out of joy (for you)
We cry out of joy (for you)
We cry out of joy (for you)
We cry out of joy (for you)
We cry out of joy (for you)

There's so much joy in our heart

One word for the media, please help the people see the love
Stop this garbage you're feeding us, show him for what he really was
Remember there was more to come, remember he's the chosen one
Remember he's the wisest one, remember him for what he's done
Remember him for what he's done, remember him for what he's done
In this lifetime I wanna thank you, for showing me the man in the mirror
In this lifetime I wanna thank you, you motivated the world to deliver

We cry out of joy (for you)

We cry out of joy (for you)
We cry out of joy (for you)
We cry out of joy (for you)
We cry out of joy (for you)
We cry out of joy (for you)
We cry out of joy (for you)
We cry out of joy (for you)
There's so much joy in our heart
Rest in peace and harmony, Michael. I love you, man.
