

# Don't Dream It's Over

[Susan Boyle](#)

There is freedom within  
There is freedom without  
Try to catch the deluge  
in a paper cup  
There's a battle ahead  
Many battles are lost  
But you'll never see  
the end of the road  
While you're traveling with meHey now, hey now  
Don't dream it's over  
Hey now, hey now  
When the world comes in  
They come, they come  
To build a wall between us  
We know they won't winNow I'm towing my car  
There's a hole in the roof  
My possessions are causing me suspicion  
But there's no proof  
In the paper today  
Tales of war and of waste  
But you turn right over to the TV pageHey now, hey now  
Don't dream it's over  
Hey now, hey now  
When the world comes in  
They come, they come  
To build a wall between us  
We know they won't winHey now, hey now  
Don't dream it's over  
Hey now, hey now  
When the world comes in  
They come, they come  
To build a wall between us  
We know they won't win  
We know they won't win  
We know they won't win
