

For All of My Life

For Real

Come and lay here beside me
I'll tell you how I feel
There's a secret inside me
I'm ready to reveal
To have you close
Embrace your heart with my love
Over and over
These are things that I promise
My promise to you* For all of my life
You are the one
I will love you faithfully forever
All of my life
You are the one
I give to you my greatest love
For all of my life Let me lay down beside you
There's something you should know
I pray that you decide to
Open your heart and let me show
Enchanted worlds of fairy tales
A wonderland of love
These are things that I promise
My promise to you* For all of my life
You are the one
I will love you faithfully forever
All of my life
You are the one
I give to you my greatest love For all of my life
All of my love
With all of my heart
These are things that I promise* For all of my life
You are the one
I will love you faithfully forever
All of my life
You are the one
I give to you my greatest love* For all of my life
You are the one
I will love you faithfully forever
All of my life
You are the one

I give to you my greatest love For all of my life
