

# Reconstructive Demonstrations (orchestral)

## Serj Tankian

They say women cry when walls retire,  
They say dead men die when walls retire,  
When walls retire  
Unconventional deconstructive conversations  
Teach us how to eat,  
I, will never let you go  
Conversational reconstructive demonstrations  
Teach us how to speak,  
Why, confess the final blow  
Teach us how to eat from your broken hands,  
'Cause nothing seems to grow,  
Teach us how to speak,  
The language of your only dreams  
No one seems to understand that,  
We are falling to our knees.  
I forgot to pray, you forgot to say please,  
Kill me, I, will never let you go,  
I forgot to go, you forgot to know me,  
Teach us how to speak, why confess the final blow  
Teach us how to eat from your broken hands,  
'Cause nothing seems to grow,  
Teach us how to speak,  
The language of your only dreams  
No one seems to understand that,  
We are falling to our knees,  
Blindness serves not god nor men,  
So we are falling into disease  
I'm falling into disease,  
I'm falling I'm falling I'm falling  
I'm falling I'm falling I'm falling I'm falling  
We're falling we're falling we're falling we're falling  
Into, into disease, disease, disease, disease  
Disease disease disease disease  
Disease disease disease  
We've fallen we fallen we fallen  
We've fallen we fallen we fallen  
No one seems to understand that,  
We are falling to our knees,  
Blindness serves not god nor men,  
So we are falling into disease,  
Disease.
