

Peligro

Mano Negra

Cuidao en el barrio
Cuidao en la acera
Cuidao donde sea
Que te andan buscando
Los de la Seguridad
Cuidao en la frontera
Cuidao donde sea
Que van complotando
Los de la CIA
Peligroso esta el barrio
De Guatemala
Peligroso esta el barrio
De Nicaragua
Peligro!!
Peligro!!
Peligro!!
(No es una casualidad
No es una fatalidad
El gringo manda
Lo hay que echar...)

google translation:

Cuidao in the district Cuidao in the sidewalk Cuidao where it is That they walk looking for Those to you of the
Security Cuidao in the Cuidao border where it is That they are plotting Those of the company Dangerous this the
district Of Guatemala Dangerous this the district Of Nicaragua Danger! Danger! Danger! (It is not a chance is
not a fatality The foreign offer There is it to throwâ€™)
