

# I Do

## Bat for Lashes

[Verse 1]

Tomorrow, you will ask me if I do  
Know that the sorrow will drop away  
Like June, from a flower in bloom[Chorus]

When you say "I do"

When you say "I do"[Verse 2]

Tomorrow, you will take me for your bride  
And know that the grey skies will blow away  
We're forever and I feel it inside[Chorus]

When you say "I do"

When you say "I do"

When you say "I do"
