Slaves, Hebrews born to serve To the Pharaoh Heed to his every word Live in fearFright, of the unknown one The deliverer Wait, something must be done For hundred yearsSo let it be written So let it be done I'm sent here by the chosen oneSo let it be written So let it be done To kill the first born Pharaoh son I'm creeping deathNow, let my people go Land of Goshen Go, I will be with thee Bush of fireBlood, running red and strong Down the Nile Plague, darkness three days long Hail to fireSo let it be written So let it be done I'm sent here by the chosen oneSo let it be written So let it be done To kill the first born Pharaoh son I'm creeping deathDie by my hand I creep across the land Killing first-born manDie by my hand I creep across the land Killing first-born manI, rule the midnight air The destroyer Born, I shall soon be there Deadly massI, creep the steps and floor Final darkness Blood, lambs blood painted door I shall passSo let it be written So let it be done I'm sent here by the chosen oneSo let it be written So let it be done To kill the first born Pharaoh son I'm creeping death
