

# Killer (Rob Roar & KutOff Terrace Attack Mix)

[Adamski](#)

It's the loneliness that's the killer So you want to be free  
To live your life the way you wanna be  
Will you give if we cry  
Will we live or will we die? Tainted hearts heal with time  
Shoot that love, so we can stop the end Solitary brother  
Is there still a part of you that wants to live?  
Solitary sister  
Is there still a part of you that wants to give? If we try and live your lives  
The way you wanna be, yeah Solitary brother  
Is there still a part of you that wants to live?  
Solitary sister  
Is there still a part of you that wants to give?  
Is there still a part of you that wants to give?  
Is there still a part of you that wants to give? Racism in among future kings can only lead to no good  
Besides all our sons and daughters already know  
How that feels, yeah, yeah, yeah, yeah
