

Somebody

Jay IDK

(Bridge)

Give me stardom

Give me (fame)

Give me money

Give me (change)

Give me cars

Give me (range)

Give me broads

Give me (brain)

Give me this

Give me (that)

Give me

Every thing you (have)

Give me future

Fuck My past

But make me change and it won't last These labels tryna fuck wit ya boy

Cuz they don't know I'm

Poised

No they don't know I'm smart

They don't know my heart

Really in this music shit I make

It's Really real authentic never fact

And I know it's a lot that's on my plate

But That's food for thought I love to eat

I love when you take shots

I love the beef

And if the shit makes sense

I might respond

Cuz I done work way too damn hard from everything that I got

And you will never take it from

Me nigga

Ima PG nigga but I know

DC niggas

All the way from toga

Down to the E street niggas

Over by the boarder with the water

Hole T niggas

When I Had a T Top on my old Z nigga

And I use to go to PGCC nigga

All the hoes use to play me
Especially when I sat at the cafeteria with my pen and a pad tryna rap looking crazy
Now ya hoes play me
Now they wanna save me
But I ain't looking for 100 problems in Jay Z
Long as I can't eat and have a roof I'm gravey
So not being rich for a little don't phase meNa Na Na Na Na Na Na Na Na Na Na Na Na Na Na (X2)(Hook)
I knew I'd be somebody even when I didn't know who I would be
So know you'll be somebody even when there is a future you can't seeShe use to have a phat as wit some fat
titties and a fat pussy now she just fat
Probably cuz she had 3 kids since high school only 21 that's bad
No offense to the young mothers
But offense to the ones that would make fun of me and my jeans
Use to call them shits nut huggers
What up Stacey
I'm petty as a mutherfucker
But I remember those days when I was ashamed to be myself and wanted to change
Now I hate change I only like dollars
I only like the ones that suck and swalla
I only like the ones that fuck no problem
But sorry Stacey I don't want no mama
No drama
Unless it got a grill and it's gangsta
Like many fresh big tymers
Juvenile
Lil wayne
Mac mane and stunna
UH(Hook)
Knew I'd be somebody even when I didn't know who I would be
So know you'll be somebody even when there is a future you can't see
I knew I'd be somebody even when I didn't know who I would be
So know you'll be somebody even when there is a future you can't see(Bridge)
