Don't Make Me

50 Cent

Girl, when I look at you
You look through me like I?m not even there
I?m trying not to give up
To be strong but I?m afraid to say I?m scared
I can?t find the place your heart is hiding
And I?m no quitter but I?m tired of fighting
Baby, I love you, don?t wanna lose you
Don?t make me let you go
Took such a long time for me to find you
Don?t make me let you go
Baby, I?m begging please
And I?m down here on my knees
I don?t wanna have to set you free
Don?t make me
What if when I?m long gone
It dawns on you, you just might want me back
Let me make myself clear
If I leave here, it's done I?m gone that?s that
You carry my love around like it?s a heavy burden
Well, I?m about to take it back, are you sure it's worth it?
Baby, I love you, don?t wanna lose you
Don?t make me let you go
Took such a long time for me to find you
Don?t make me let you go
Baby, I?m begging please
And I?m down here on my knees
I don?t wanna have to set you free
Don?t make me, don?t make me
Baby, I?m begging please
And I?m down here on my knees
I don?t wanna have to set you free
Don?t make me, don?t make me
Stop loving you
Don?t make me
Stop needing you
