

# I Don't Want to Walk Without You

[Anne Shelton](#)

All our friends keep knocking at the door  
They've asked me out a hundred times or more  
    But all I say is, "Leave me in the gloom"  
    And here I stay within my lonely room  
'Cause I don't want to walk without you, Baby  
    Walk without my arm about you, Baby  
    I thought the day you left me behind  
I'd take a stroll and get you right off my mind  
    But now I find that  
    I don't want to walk without the sunshine  
    Why'd you have to turn off all that sunshine?  
Oh, Baby, please come back or you'll break my heart for me  
    'Cause I don't want to walk without you  
        No, sire
